<b>Policy Title:</b>	Accountability of the CEO	
<b>Last Updated:</b>	September 26, 2002	<b>Reviewed:</b> Annually in March

The CEO is the Board's only link to operational achievements and conduct, so that all authority and accountability of staff, as far as the Board is concerned, is considered the authority and accountability of the CEO.

1. The Board will never give instructions to persons who report directly or indirectly to the CEO.
2. The Board will not evaluate, either formally or informally, any staff other than the CEO.
3. The Board will view CEO performance as identical to organizational performance, so that organizational accomplishment of Board Ends and avoidance of Means forbidden by the Board will be viewed as successful CEO performance.
