

Flipster for Android

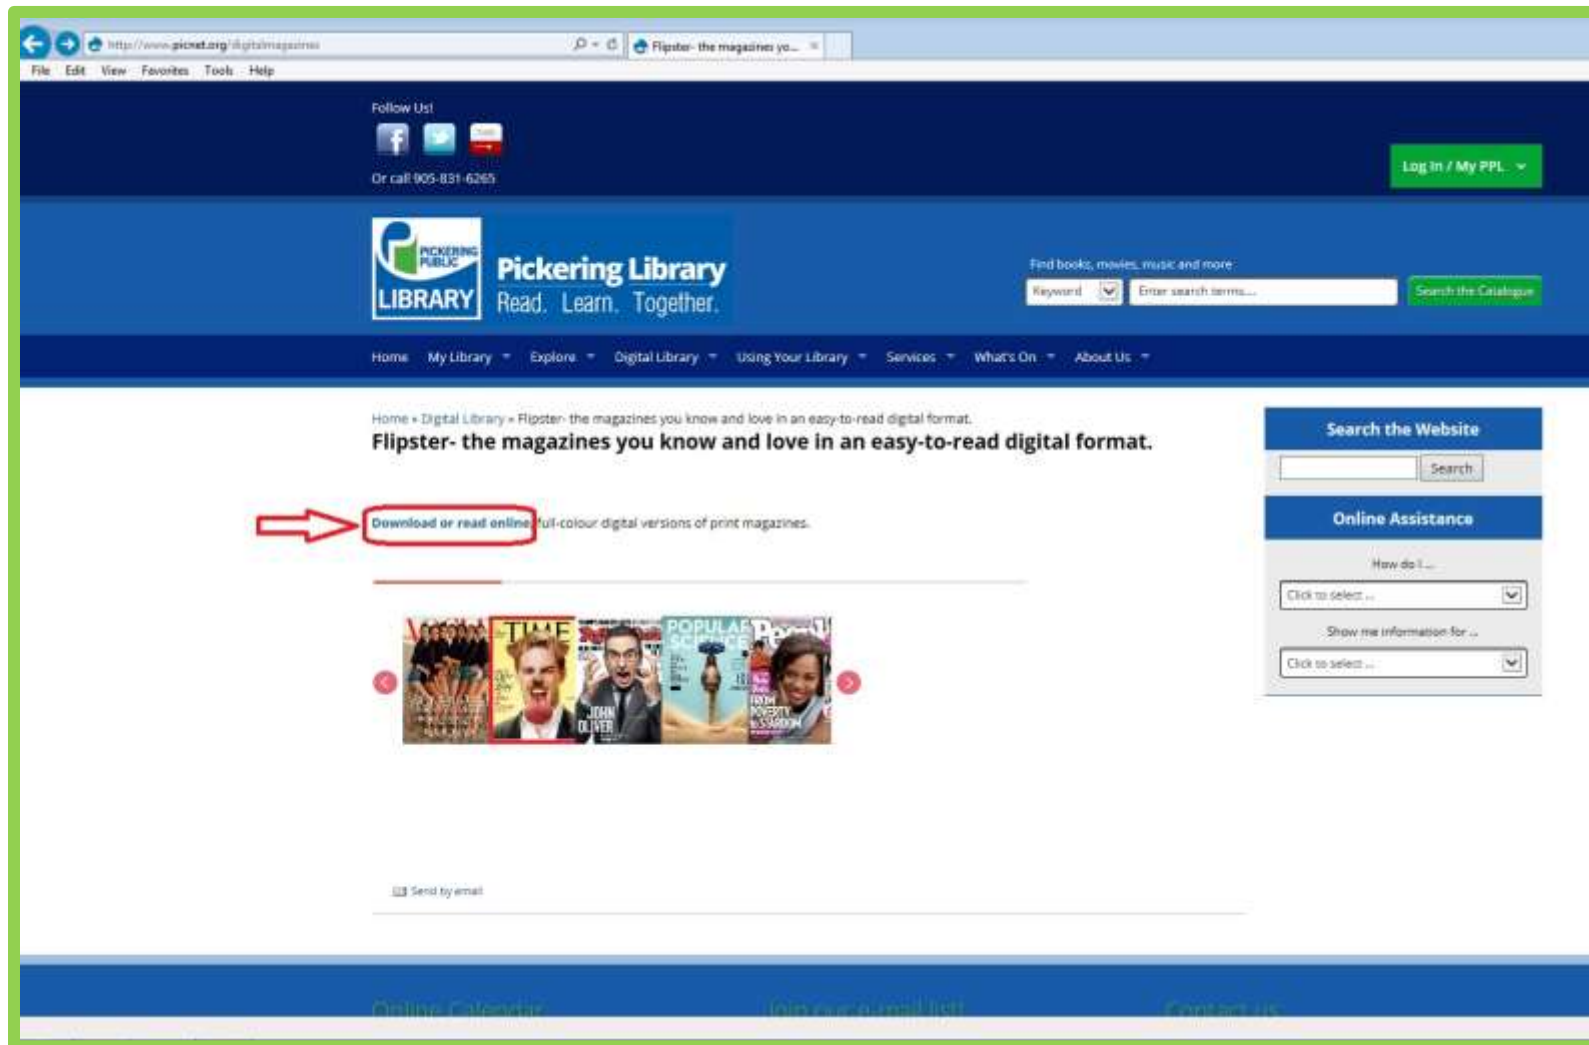

1- Install the “Flipster” app from the “Play Store”, and open it.

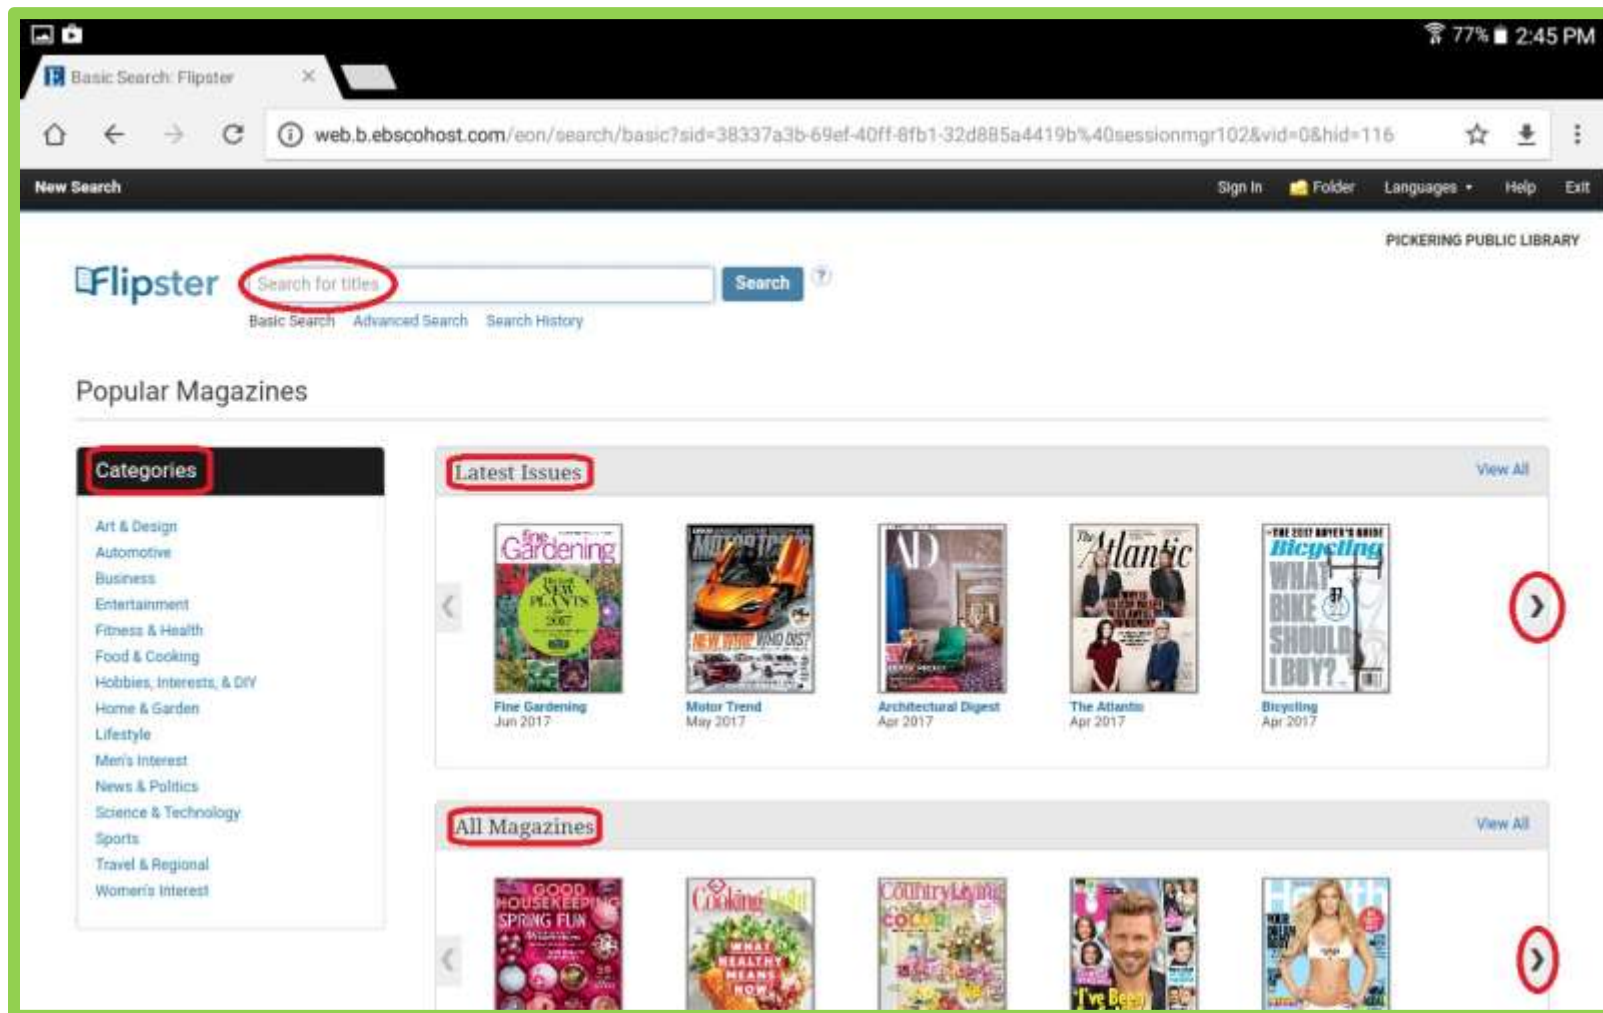

2- Tap on the home button on your device, open the “Chrome/ Internet” browser, type www.picnet.org/digitalmagazines, then tap on “Go”.

3- Tap on “Download or read online”.

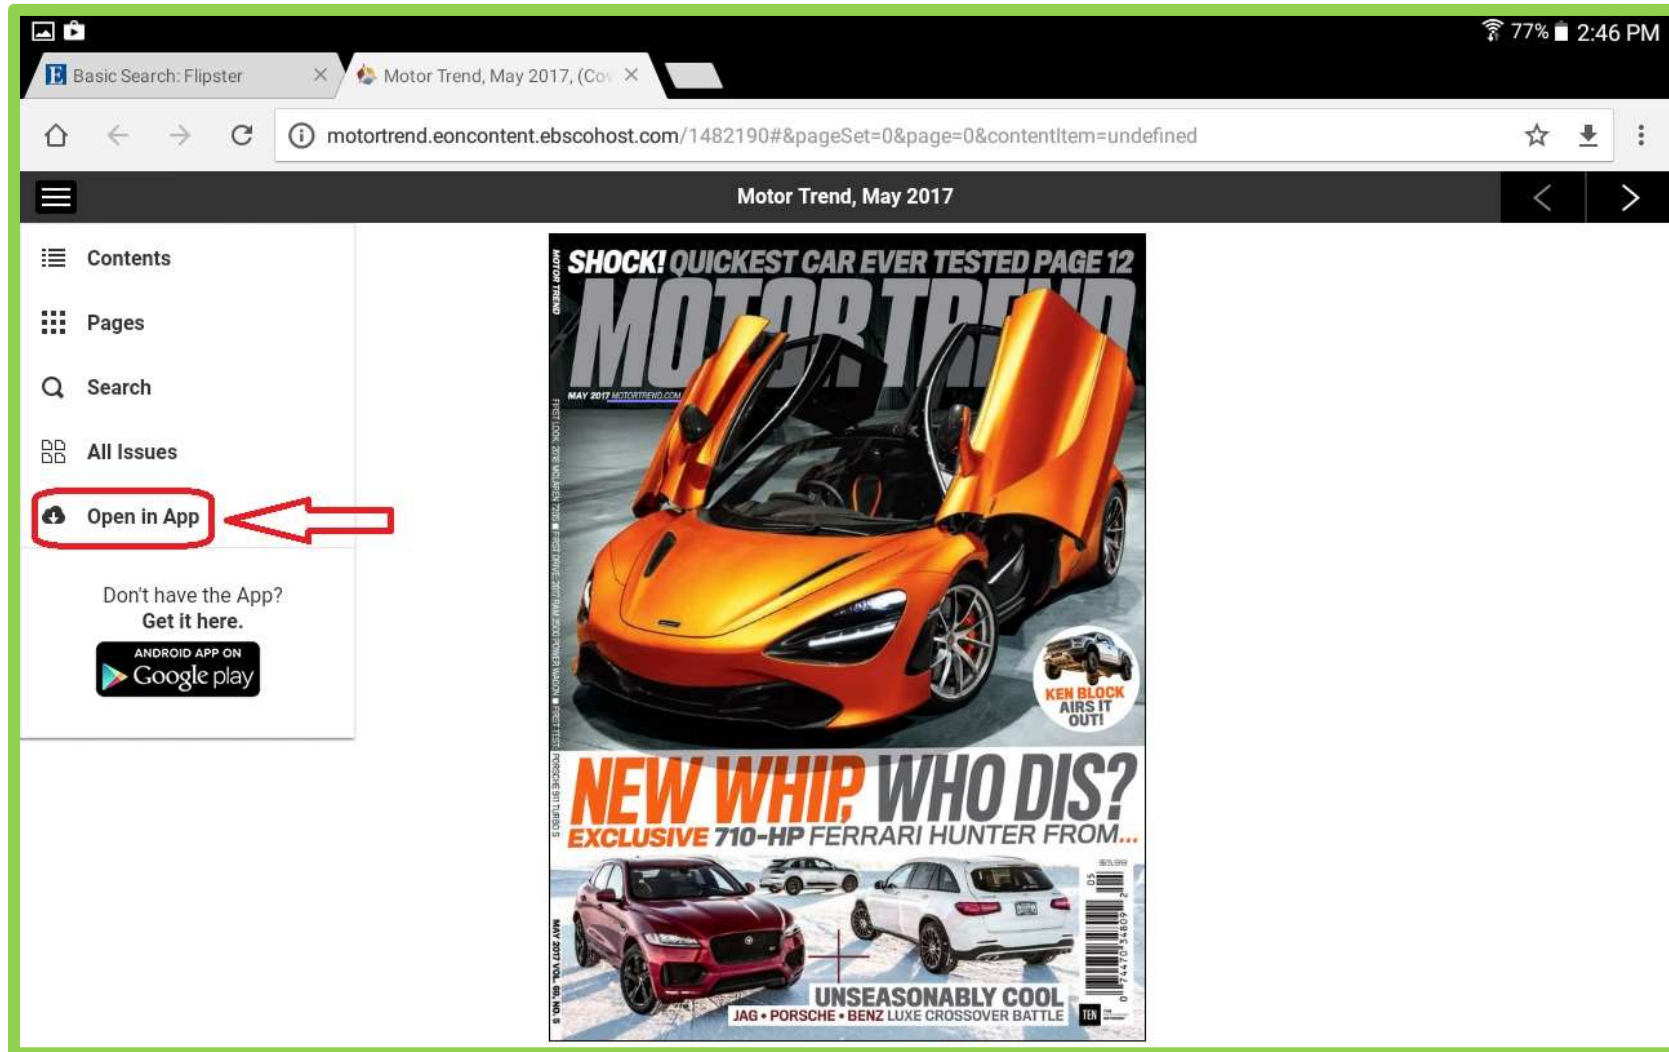

4- Tap on any magazine you would like to download by either selecting it from the “Categories” section (on the left pane), the “Latest Issues”, or the “All Magazines” section.

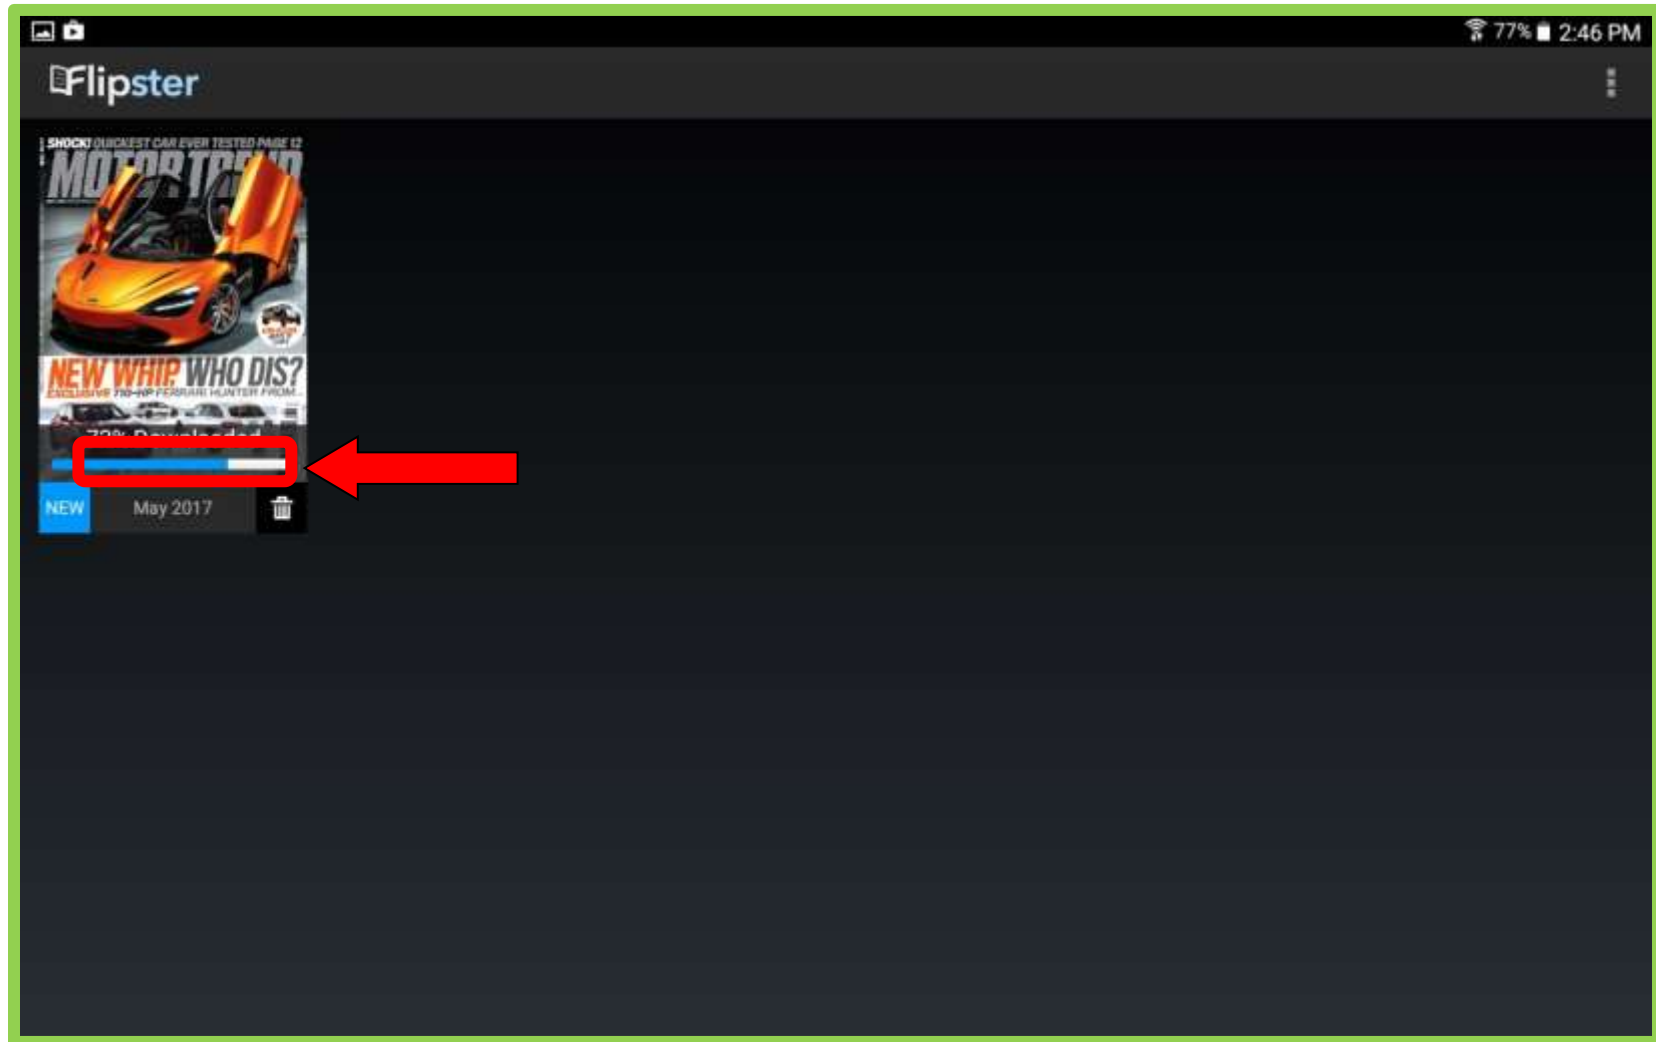

5- Tap on the menu icon (to the left of the magazine title).

6- Tap on “Open in App”.

7- The magazine will start downloading within the “Flipster” app.

8- Once the download process finishes, tap on the small magazine cover, then start reading and flipping pages by swiping your finger on the screen from right-to-left.

9- To delete the magazine, tap on the icon at the top left, then tap on the “garbage bin” icon.
