

FOR RELEASE MONDAY MAY 15th 2017:

5th ANNUAL HOW-TO IN TEN FESTIVAL TAKES PLACE ON SAT MAY 27th 2017

Pickering, Ontario – May 15th 2017: Pickering Public Library will host the annual How-To In Ten Festival on Saturday May 27th 2017, from 11am to 4pm at the Central Library branch. Now in it's 5th year, the FREE festival brings together a diverse collection of over 30 businesses and vendors offering a unique skill or service! Festival attendees can visit each vendor booth and learn “how to” master each skill in less than 10 mins!

For the sports enthusiast, golf, tennis, fishing and curling are featured with participating organizations from all over Ontario. For the foodie, artisan cheese boards, craft beers and cocktails will be highlighted with local businesses sharing their knowledge and products with festival attendees. For busy moms, there will be lots of advice on how to help your child sleep better, how to save on your grocery bill and, even, how to design your home to add value. And, if you ever wanted to play our national anthem, Durham West Music Association will be on hand to teach everyone how to play “O’Canada”, perfect for Canada 150!

There really will be something for everyone! Whether you’re artistic, sporty, thrifty or you just simply want to connect with your neighbours at this free, community festival, then stop by the Pickering Public Library central branch on Sat May 27th at 11am and join the fun!

For the full list of confirmed 2017 vendors, you may visit the Pickering Public Library website at www.picnet.org/2017HowToInTen.

ABOUT THE PICKERING PUBLIC LIBRARY:

Pickering Public Library is an award-winning, innovative and community-led library that exists to ensure that all Pickering residents have access to the resources, information and ideas that will enrich their civic, corporate and personal lives. Towards this end, the library strives to ensure that all residents are enriched by a culture of reading, are supported in their lifelong learning needs and have access to welcoming and collaborative spaces. The Library takes an active leadership role in community partnership development, digital equity, and social inclusiveness in order to achieve its mission.
