

Our Mission

To Equitably Provide:

Lifelong Learning, Early Literacy & a Culture of Reading

Access to Technology & Welcoming Spaces

Resources to Support Well-being & Success

Our 2019-2023 Goals

1 Improve Library Experience

The community will have the experience of feeling safe, respected and valued; Library services will be easy to use with transparent and fair policies; the community will be provided with helpful assistance and support; and, will be inspired by Library spaces.

2 Support Financial Knowledge & Success

The community will have access to programs, content, and resources free of charge or at minimal cost; will have access to experts and programming that will improve their financial literacy and knowledge; and will have support for their teleworking and entrepreneurial activities.

3 Lead Inclusion & Belonging

The Library will provide collections and services that actively celebrate and share our differences while exploring and sharing those issues that unite us.

4 Empower the Community's Physical, Social & Mental Wellbeing

The Library will provide quality collections, services, and programs which are designed to help all clients improve and maintain their physical health, their mental health, and their social connections.

MAKE IT YOUR SPACE
